

BC Series Bale Carriers

Farmco bale carriers accommodate both round and square bales. Adjustable cross members can be spaced to fit any bale size. Handle high moisture bales efficiently with a Farmco bale carrier.

Bale carriers are available with or without the running gear.

BC20

Model#	Length	Capacity (based on 4-1/2' bales)	Main Beams	Cross Members
BC16	16'	8 bales	3" x 5"	2-1/2" square-adjustable
BC20	20'	10 bales	3" x 5"	2-1/2" square-adjustable
BC24	24'	12 bales	3" x 5"	2-1/2" square-adjustable

BC Series Standard Features

3" x 5" main beams give support for heavy loads..

Adjustable Cross Members to accommodate any bale size.

A 5-degree bend in the cross members prevent bales from rolling off.
