

BW Series Bale Wagons

Farmco bale wagons provide generous size, weight, and smooth handling. They have been used on farms for over 20 years. Boxes come in 8' or 9' widths and 18' and 22' lengths. Most models are fabricated with an all-steel frame using 7" channel main beams and formed steel cross pieces.

Bale wagon sides are all-steel construction. The sides are fabricated with 2"-square tubing with 1"-square horizontal tubing welded in between.

Model#	Dimensions	Floor	Frame	Overall Height	Height to Deck
BW818W	8' x 18'	Wood: 1" Oak	Wood	10'9"	37"
BW818S	8' x 18'	2.8 lb. Expanded Steel	Steel	10'9"	37"
BW818WS	8' x 18'	Wood: 1" Oak	Steel	10'9"	37"
BW822WS	8' x 22'	Wood: 1" Oak	Steel	10'9"	37"
BW918WS	9' x 18'	Wood: 1" Oak	Steel	10'9"	37"
BW922WS	9' x 22'	Wood: 1" Oak	Steel	10'9"	37"
BW822S	8' x 22'	2.8 lb Expanded Steel	Steel	10'9"	37"

BW Series Standard Features
